# SNAPTRACKER BOLT SEAL

The SnapTracker Bolt Seal is a **C-TPAT** compliant barrier class seal, designed for securing high value cargo. A solid steel bolt provides strength while a molded plastic coating provides tamper-evidence.

## Features:

- ISO 17712 classification - **HIGH SECURITY SEAL.**
- Both parts numbered to prevent fraud by replacement of either bolt or body.
- Parts come attached in a unique package for ease of use and accurate tracking of numbers.
- Laser printed consecutive numbering and company name provide increased security and deter tampering.

## Applications:

- Container Door Latches
- Trailer Door Latches
